Immediate Recall of Cannabis and Cannabis Products

Dear Licensee,

The New Mexico Cannabis Control Division is issuing an immediate recall of all cannabis and cannabis product originating from the licensee Golden Roots LLC with CCD license number CCD-VICE-2022-011 in accordance with 16.8.2.11(E) NMAC. All products purchased either via wholesale or retail from Golden Roots LLC should be immediately destroyed or returned to the retailer for immediate destruction.

Consumers and qualified patients should contact Golden Roots directly for any refund. The Division will be tracking all Golden Roots LLC products in BioTrack to ensure compliance with this recall. Golden Roots LLC was found to have been importing unlabeled, unlicensed products with an unknown origin. Cannabis originating outside of the licensed New Mexico cannabis market poses a severe risk to the health and safety of cannabis consumers, and in particular qualified patients. Regulated cannabis goes through required quality assurance testing to ensure it is fit for consumption. This quality assurance testing process screens for harmful pesticides, microbials, residual solvents and other contaminants.

If any consumer or qualified patient experiences any adverse health effects from consuming any cannabis or cannabis product from Golden Roots LLC should seek medical attention immediately and report the event to the Cannabis Control Division.

Sincerely,

Cannabis Control Division
