

# Cannabis Control Division

June 13, 2023

Dear Cannabis Licensee,

BioTrack, in conjunction with the New Mexico Regulation and Licensing Department Cannabis Control Division, is offering three (3) live training sessions for licensees tomorrow, Wednesday, June 14, 2023.

The first session will cover Cultivation, the second will cover Processing, and the third will cover Dispensation. BioTrack will cover the general workflow for each topic, as well as how to avoid the most commonly reported issues. Click on the links below to register for the session(s) you wish to attend.
